Presentations

1. Poster Presentation
 - Topic - **Isolation and characterization of oil degrading bacteria**
 - Abstract Page No - 32
 - U G C sponsored National Seminar on Basic and advanced biochemical techniques Relevance in interdisciplinary Research scenario on 3rd and 4th September 2013
 - Organized by Department of Biochemistry and Department of Botany in Collaboration with Dept. of Biochemistry, School of Medical Education, M G University, Kottayam, Kerala.

Workshops Attended

1. National workshop on Digital Age Pedagogy. Perspectives and Prospects organized by Department of Computer Science in association with IQAC, St. Mary's College, Thrissur on 9th and 10th of January 2014.

Seminars Attended

1. Quality Enhancement In Higher Education through student support and progression organized by IQAC, St.Mary's College, Thrissur, Kerala on 2nd and 3rd of March 2012.
2. U G C sponsored National Seminar on Bioinformatics: Applications in Modern Sciences organized by Department of Zoology, Mercy College, Palakkad in association with Bioinformatics Centre, Kerala Agricultural University, Mannuthy, Thrissur, Kerala on 26th September, 2013.

Project Guideship

- P G Students
 - Isolation and Characterization of Oil Degrading Bacteria (2012-2013)
- U G Students
 - Bacteriologic potability analysis of drinking water samples from various sources(2011-2012)
 - Study on Biosurfactant Properties of Bacterial Isolates from Oil Contaminated Sites(2012-2013)
