

Alumnae Feedback on Curriculum (2023-2024)

Alumnae feedback on curriculum is taken from alumni who have completed their UG and PG programs from the institution since 2019. The feedback was collected department-wise from alumni who have visited the Campus during the academic year 2023-24. The consolidated feedback was analyzed by IQAC using the Likert Scale. The satisfaction index was classified into five heads 0-20, 20-40, 40-60, 60-80, and 80-100. The respondents of previous years are considered.

Respondent Group – Pass out batches of UG and PG

Number of Students responded - Alumnae UG - 150
Alumnae PG – 55

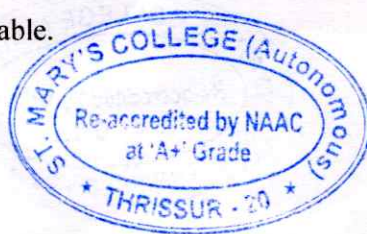

1	Course at St Mary's enabled me to pursue higher Education successfully
2	Course generated interest in pursuing higher education
3	Curriculum was disseminated in best possible way Using ICT and other resources

The results were discussed in IQAC meeting held on 14/06/2023 and were presented in the College Council meeting dated 19/07/2023

Consolidated Report of IQAC and College Council

- The college provides a diverse range of facilities aimed at enhancing the educational experience for students. The introduction of skill and certificate courses has significantly boosted students' employability. Furthermore, the integration of Information and Communication Technology (ICT) in teaching and learning has elucidated essential concepts and enriched the overall educational experience.
- Incubation centers linked to various departments remain essential in enhancing the experiential learning and skills of students, thereby empowering them to launch a range of start-ups.
- The institution has offered numerous opportunities for participation in national and international conferences, workshops, webinars, and similar events, facilitating interactions with distinguished professionals in the field via both offline and online platforms.
- Career guidance programs and interview techniques courses have played a crucial role in shaping the career paths of students. However, there remains an opportunity to enhance campus recruitment efforts by fostering partnerships with a wider range of industries.
- Exploring further opportunities for internships and promoting partnerships with industries and research institutions may be advisable.
